

SHEA MOISTURE BODY SCRUB & OIL

Recommended by Valerie Pierre

I bought these items on a whim for 50% in Target. It was the best purchase I ever made. The scrub felt and smelled amazing. But the best part was the rinse. It leaves your skin smooth and oiled. You don't need to add anything else to your skin afterward. Unless you have extra dry skin like me. To make sure my skin didn't ash up later on I applied the oil. It lasted all day long. It felt like it was apart of my skin and not like an added layer of oil. Totally worth their full price. sheamoisture.com
