

## **IRO CARRIER & HEAD WRAPS**

Recommended by Karese Adediran

Speaking of Queens and natural hair, how about those bad hair days? I have become a sucker for a head-wrap on days when I just can't deal. There's something very regal about tying the crown atop my head and moving through my day. If I'm being honest, it's also great when your hair isn't dry, or if you have to deep condition on the go! Introducing Iro Gele, a head-wrap company with Nigerian roots, also featuring unique baby carriers with beautiful Ankara prints!

## **JUSTE ÊTRE (JUST EARRINGS)**

Recommended by Karese Adediran

A good accessory can amplify your outfit and take it to the next level. One great way to accessorize, earrings! The fashion diva on your list will love the handmade creativity from Juste Être! The designs are inspired by the designer Kat's Nigerian heritage, art, and music. Her designs are unique and the love in each piece can be felt! She even takes custom orders, which would be great to individualize for the recipient!
