

FASHIONS FROM THE TINY CLOSET SHOP

Recommended by Valerie Pierre

Want to look fabulous and comfortable, all the time with minimal effort? The Tiny Closet Collection offers just that. It's a collection of clothing carefully built over time each season of thoughtful, simple, quality pieces for the modern, every day life. Just a few pieces to be completely adored. And worn truly everyday. There are pieces that you can wear in the summer that will carry you into the fall season with a little layering. The key is to have several great pieces that can all be worn together giving you an endless, effortless options to getting dressed.
