ALDO STEINAR OVER THE KNEE BOOT

Recommended by Valerie Pierre

Boot season is in full effect and what better way to celebrate than with these ALDO Over The Knee Boots. They come in black and brown suede. I like these boots especially because the heel is not too skinny and there's no platform. You can also wear these with pretty much anything from jeans to a dress. Flawlessly transforming your daytime causal look into sexy evening. www.dsw.com
