

# About the guide

Following the success of our Holiday Guide For Her our writers have compiled a holiday guide for the special man in your life. We wanted give you a little inspiration as you shop for the important man in your life.

Our list consists of products for hair and skin, our favorite fashion pieces and items for your home. Some items listed are from companies you recognize others you may not as we selected items from big and small businesses.

We hope you enjoy our guide as much as we enjoyed putting it together just for you!
