## **ORIGINS CLEAR IMPROVEMENT ACTIVE CHARCOAL MASK TO CLEAR PORES**

Recommended by Valerie Pierre

I was never a fan of gels. I felt like they were heavy on my hair and left a flaky residue upon drying. But not this gel. My tresses feel bouncy and my style is laid! The biotin in this product aids in natural growth and who wouldn't love some 24 karat glistening gold on their mane! [www.sephora.com](http://www.sephora.com) (free shipping after \$50)
