

THE TIE BAR

Recommended by April Kendall

The Tie Bar is such a great shop for men. It initially started out solely online. They have since expanded and have store locations in Chicago, Boston, & New York City. Not only do they sell ties, but they have various accessories such as socks, lapel pins, and cuff links just to name a few. The Tie Bar will complete an entire look for the special man in your life. Check them out at www.thetiebar.com.
