

MAD LIBS: THE GAME

Recommended by Valerie Pierre

Players use word cards, along with the sentence card in play, to make silly sentences. All players vote and the silliest sentence wins the round. The first player to win three rounds wins the game. www.amazon.com

NINTENDO SWITCH

Recommended by Valerie Pierre

This two-in-one home-to-portable gaming system lets kids dock to play on a TV, or lift out for on-the-go fun. The two Joy-Con controllers offer new styles of play, featuring motion-sense technology and HD rumble. www.amazon.com
