

MARVELOUS ME

Recommended by Valerie Pierre

There is no one else quite like Alex. With his special laugh, his grizzly hugs, and his own interesting thoughts, Alex is one of a kind. *Marvelous Me* will encourage our sons to embrace the things that make them unique.

PRINCESS HAIR

Recommended by Amber Razmus

This book shows little ones that being different isn't bad. Your hair can look different and you can still be a princess. Sharee Miller is an amazing Illustrator. Your little one will smile big when they see pretty princesses with hair like theirs. I know it's a favorite in my home. www.amazon.com
